

**ANNOUNCEMENT TO STUDENTS WHO RECEIVED
RESULTS AFTER DEADLINE FOR REGISTRATION FOR
EXAMS**

It has come to our attention that there are students who have just received results of their annual exams (2008), after the deadline of registration for exams. Such students, where results indicated that they have to write a supplementary, will be allowed to write the supplementary exams during the June exam session.

Deans and DRCs have been directed to submit names of such students and details of the subjects they are due to supplement, to the Examination Syndicate by Friday 22nd May, 2009.
