

**ANNOUNCEMENT REGARDING STUDENTS SPONSORED
BY HESLB**

We wish to inform students sponsored by the Higher Education students Loans Board, that half of their fees has now been paid. Only such students who registered for the June exams are eligible for writing the examinations. Those who could not register will have to apply for special exams for February next year.

Further, each student receiving an HESLB Loan is required to sign against his name on the return forms. Copies of the return forms will be distributed to all regional centres as soon as possible. Students failing to sign will not receive the second installment of fees, and will therefore have lost HESLB funding.
