

ANNOUNCEMENT TO SCIENCE STUDENTS ON RESUMPTION OF PRACTICALS

I would like to inform students belonging to the Faculty of Science, Technology and Environmental Studies that, Practicals for this academic year have been resumed and will be done as follows;

S/N	SUBJECT	INSTITUTION	DATE
1	Chemistry	St. John University	24 th /08-05 th /09/2009
2	Env. Studies (science stream)	St. John University	24 th /08-05 th /09/2009
3	Home economics	SUA	24 th /08-11 th /09/2009
5	Life science	St. John University	7 th /09-25 st /09/2009
6	Physics	UDSM	7 th /09-25 th /09/2009
7	Mathematics	OUT(HQ)	28 th /09-16 th /10/2009

Special Projects will commence at respective institutions for Chemistry, Life Science and Home Economics on 24th August 2009 and end on 25st September. Physics Special Projects will begin at University of Dar es Salaam on 7th September 2009 and end on 25th September.

Only students with permission letter from the faculty will be allowed to carry out their Special Project. Special project students are advised to use the limited time available effectively, especially those whose project will involve laboratory work.

This year's time table is very tight due to limited time, so be punctual.
