

## SCHOLARSHIPS FOR INTERNATIONAL PRACTICAL AND TECHNICAL EXPERIENCE YEAR 2018.

In an age where the employment market is getting more and more competitive, a University degree is not enough. Relevant practical experience is becoming a necessity before graduation as more and more employment demand for it. **International Association for the Exchange of Student for Technical Experience (IAESTE)** is hereby inviting applications from young Tanzanians, preferably continuing students and recent graduates from higher learning Institutions to undergo international technical and practical work experience abroad.

IAESTE is an Association of National Committees representing academic institution/industrial sector and students in higher learning institutions world-widely.

The Open University of Tanzania (OUT) is hosting the IAESTE office as a Full Member of the Association since 2007 and would like to announce the following **IAESTE scholarships for 2018/2019**
