

INTERNSHIP SCHOLARSHIPS UNDER IAESTE PROGRAMME FOR THE YEAR 2020

IAESTE is an Association of National Committees representing academic Institutions Industrial Sector and Students in Higher Learning Institutions Worldwide: www.iaeste.org

In an increasingly competitive job market, much has been said about the need to gain relevant work experience before graduation-**The International Association for the Exchange of Students for Technical Experience** commonly known as **IAESTE** not only Provides Traineeship Experience but also the valuable experience of working abroad. Work experience gained abroad enhances student's Independence and Flexibility, Communication and Foreign Language Skills, and contribute to personal and academic development. Employers know that if students have successfully overcome the challenges brought on by International Work experience, they will stand out from crowd at interview. **Tanzania being a full member in the IAESTE association** is hereby inviting applications from young Tanzanians, preferably continuing students and final students waiting graduation from higher learning Institutions for undergoing Technical International Practical Work experience for the year 2020.
