

THE OPEN UNIVERSITY OF TANZANIA

FACULTY OF EDUCATION

Department of Adult and Distance Education

POSTGRADUATE DIPLOMA IN TECHNICAL AND VOCATIONAL TEACHER EDUCATION (PGD-TVTE)

Faculty of Education, Department of Distance and Adult Education invites applications from qualified candidates for admission into the Postgraduate Diploma in Technical and Vocational Teacher Education (PGD-TVTE) Degree.

The Postgraduate Diploma in Technical and Vocational Teacher Education (PGD-TVTE) is a one-year programme taught in 4 blocks of 13 weeks each. This programme is offered by the Open University of Tanzania (OUT) in collaboration with Morogoro Vocational Teacher Training College (MVTTV). It aims at providing the student teachers with the knowledge and skills to teach technical-vocational courses. Among others, the programme will equip the students with a strong theoretical understanding of teaching technical-vocational education while integrating modern information and communication technologies (ICTs) in their teaching. The goal is to enable the learners to appreciate the ethical dimension of teacher professionalism in Technical and Vocational Education. The PGD-TVTE programme will be offered through Blended Mode with some face to face sessions supported by online Open and Distance Learning (ODL) technologies.

Course Structure and Duration

The PGD-TVTE programme shall have a total of 120 credits and extend for a minimum period of one calendar year consisting of four academic blocks that run from February to November. This duration is for all courses and will include supervised Independent study. The candidates will take 8 core courses, and one elective course.

Expected Learning Outcomes

Upon participating in this course student teachers and education managers will have developed a high reasoning capacity and teaching skills in their areas of TVET specialization (e.g. Electrical Installation and Maintenance; Carpentry and Joinery; Automobile Mechanics; Masonry and Brick Laying; Welding and Metal Fabrication; Plumbing and Pipe Fitting; and entrepreneurship).
