

# ANNOUNCEMENT TO ALL STUDENTS

## PHYSICAL VISITATIONS AT OUT PREMISES

**Monday 25<sup>th</sup> May 2020 Dar es Salaam,**

The Vice Chancellor of The Open University of Tanzania **Prof. Elifas Tozo Bisanda** is pleased to inform all students that the physical visitations to University premises are welcomed with effect from 1<sup>st</sup> June 2020 as per the Government directives. However, as a measure of containing the spread of Corona Viruses, students are strictly required to observe all the Prevention measures for COVID 19 Corona Viruses as prescribed by the Ministry of Health, Community Development, Gender, Elderly and Children. In view of this, students are required to observe the following:

- i) To wear the Face Masks, sanitize/wash their hands with soap and clean water when entering and leaving the University Premises.
- ii) To avoid any unnecessary gathering at the University premises.
- iii) Face to face activities, classes, libraries and computer laboratories are now open. However, we encourage students to continue accessing online learning resources available in MOODLE platform and University Online Library found in [www.out.ac.tz](http://www.out.ac.tz).
