## END OF YEAR EXAMINATIONS USING OREX SYSTEM Notice to Students

The Open University of Tanzania (OUT) wishes to inform all students and the public in general that the onsite University student services will resume with effect from **1<sup>st</sup> June 2020** as per the Government directive.

In line with the Government directive, students are hereby informed that **end of year examinations** are expected to be conducted in months of **July and August 2020**. However, being the supreme academic governing body, the University Senate has approved the use of new assessment mode officially known as **Oral Examination System (OREX)** to supplement the present pen-paper examinations as a way to avoid the spread of COVID-19 pandemic. The OREX sessions will be conducted with support of online collaboration tools and in strict compliance with the OREX guiding procedures. A short student guide explaining the conduct of OREX session will be communicated in due course.

The examination timetable and online registration will be accessible through OREX system from **second week of June 2020 to 25<sup>th</sup> June 2020**. After successfully registering, an invoice will be automatically generated from the Student Academic Register Information System (SARIS) displaying all the required payment details, including payment procedure. To be able to register online, a candidate is required to pay full tuition fee, OREX fee of TZS 10,000/= (or 10 USD for students located in other countries) and all other non-tuition fees as per the SARIS invoice printout. As usual, all payments must be made using **control number** and through the GePG payment gateway.

In the meantime, students are reminded to complete their coursework assessment in Moodle platform before the set deadline of **15<sup>th</sup> June 2020**.

Thank You

**Dr. Said Ally**
