## EXTENSION FOR REGISTRATION AND EXAMINATION DAYS

### Notice to Students

This is to inform all students that, due to a sharp increase of number of students requesting OREX examinations, the University has approved extension for registration and examination days as follows:

- 1. OREX Registration:** The deadline for OREX registration has been extended to **Friday 10<sup>th</sup> of July 2020**. In addition to general examination registration procedures, students are highly reminded to type their frequently accessible **Phone Numbers** in the respective OREX text field. Note that the **OREX Registration link** is directly accessible at <http://orex.out.ac.tz> or through **University Website** at <http://www.out.ac.tz>.
- 2. OREX Examination Days:** The OREX examination days have been extended for **five extra days**. Thus, the OREX examinations will now run from **20<sup>th</sup> of July 2020** to **14<sup>th</sup> of August 2020**. However, students are notified that while in the process of adding extra days, a slight error on the month name was committed. This has caused the additional five days to read month of July instead of August. As a follow up response to this problem, students are hereby informed that the error has already been addressed in the system and all five additional days are now retrievable with correct month name of August as per the plan of this OREX event. To avoid any possible confusion, the affected students are strongly advised to reprint their Visa Cards for clarity purpose.
- 3. OREX Review Questions:** The OREX review questions will be made available through e-Learning platform on the respective course information page from **06<sup>th</sup> July 2020** and not later than **10<sup>th</sup> of July 2020**. Students are advised to contact their departments for any further information about this.
- 4. Registration for Pen/Paper Examination:** The exam registration for Pen and Paper Examinations for Non-Degree students (Certificate and Diploma) has been extended to **Monday 06<sup>th</sup> July 2020**. The system is accessible at <http://des.out.ac.tz> or through **University Website** at <http://www.out.ac.tz>

5. **ODEX-MTT Registration for Non-Degree Students**: The exam registration for Main Timed Test (MTT) under ODEX scheme has been extended to **Friday 10<sup>th</sup> of July 2020**. The registration is done through DRC Office and it is only eligible to non-degree students (Certificate and Diploma). Note that this ODEX-MTT will be conducted in all regional centers using Pen and Paper System from **Monday 20<sup>th</sup> to Friday 24<sup>th</sup> July 2020**.
  
6. **Round II Coursework Assessment through e-Learning Platform**: Students are also reminded that the Round II Coursework Assessment (CA) through eLearning platform is still active for students at all levels. The system is accessible at [elms.out.ac.tz](http://elms.out.ac.tz) or through University Website at <http://www.out.ac.tz>. The deadline for submission of CA activities is **20<sup>th</sup> July 2020**. Students are informed that no email or any other forms of Non-Moodle submissions will be accepted and marked.

For further guidance, please contact your Head of Department or the Coordinator and/or our regional offices. International students are advised to get in touch with the office responsible for International Students (DLIA) for assistance by writing to [iso@out.ac.tz](mailto:iso@out.ac.tz)
