FACULTY OF EDUCATION

THE 1ST INTERNATIONAL CONFERENCE ON MAKING SENSE OF EDUCATIONAL SYSTEMS FOR SUSTAINABLE DEVELOPMENT

CONFERENCE DATES, 27th to 29th SEPTEMBER, 2023

CALL FOR ABSTRACTS AND PAPERS

The Faculty of Education at the Open University of Tanzania is pleased to call for abstracts and papers for the 1st International Conference on “making sense of education systems for sustainable development”. The conference will consist of different activities, including keynote presentations and discussions, paper presentations in panel parallel sessions and exhibitions. The conference intends to provide a platform for academicians, scientists, researchers and students from various disciplines to share and discuss innovative ideas and research findings on making sense of education systems. Attendees may participate as observers or as presenters of papers, reports, posters or commentaries concerning aspects relevant to the conference themes. Commendable articles will be published in special issues under peer-reviewed journals, and the rest will appear in the conference proceedings.
